Dear Community Members,

PCA Central Executive Committee takes great pleasure in inviting you and your family to the **Silver Jubilee Celebration of PCA of USA to be held at the Cedar Garden Banquet Hall, 661 US Highway 33, Hamilton, NJ 08619 (www.cedargardenbanquet.com) on Sunday, November 13rd, 2011.** This event will be part of our annual Diwali celebration.

Also, please join us on **Saturday, October 1st for our Navratri Garba** beginning at 7PM at Middlesex Vocational High School located at 112 Rues Lane, East Brunswick, NJ 08816. Directions can be found on our website www.pcaofusa.org.

PCA has come long way in the last 25 years and has made incredible progress in various fronts including social, cultural, educational, and charitable activities. PCA, in collaboration with KPSNA, is proud to inform you that we have received over **\$1 million in charitable donations** for various projects. More than **4,000 needy children have received scholarships** from your generous donations to fulfill their dreams of higher education. We have installed **Safe Water plants in 24 villages, along with many of our educational institutions, to provide clean and safe drinking water to more than 100,000 people** in our villages. Your generous donations have also **supported other school construction projects, health projects, and in the rehabilitation of earthquake victims**, and we have **screened more than 50,000 people for anemia**. Additionally, **the KPS/PCA student excellence awards have been instrumental in promoting our children here to excel in academics and promoting community work**. We are confident that with your continued support and generosity, PCA will take our community to the next level in years to come.

From our modest beginning, with just a few families getting together in small community centers, we have now matured into a large, thriving, and vibrant community of around 600 families in the surrounding tri-state areas. Our community played a vital role in providing a basic frame work and being a supportive parent organization to launch our national Kadwa Patidar Samaj of North America. With the support of KPSNA, we have established an ongoing important relationship with our Umiya Parivar in Sidsar in order to collaborate with all of the social and charitable projects back home. You will be proud to know that PCA of USA is no longer a strange unknown name among our community in India, and they are well aware of the community work that we have been doing here. None of these projects would see the light of the day without the steadfast support of all of you and the tireless efforts of committee members and dedicated volunteers. Please come and join us in celebrating our accomplishments together.

Don't miss this unique opportunity to take part in the historic event with your family and friends. Please join us in strengthening our community by sharing your ideas to better serve our community in the years to come. More importantly, let us all join together in supporting the goal of preserving our culture and promoting the growth of our community for the benefit of our future generation, our children.

This celebration is packed with exciting activities for all. While the agenda of these activities is being finalized, we are working on a regional dance/talent competition, Rangoli display, and fashion show. We will keep you updated as we continue to finalize cultural extravaganza. Please feel free to contact any of the members of the Central Executive Committee with any questions or suggestions you may have.

Please mark the date and spread the word to your friends and families. We want to see each and every one of you in celebrating 25 golden years of our association.

We hope to see you on November 13th!

With best wishes,

Central Executive Committee, PCA of USA
